NPIC/P&DS/265-65

30 July 1965

MEMORANDUM FOR: Chief, Production Services Division, NPIC
ATTENTION : Chief, Photographic Laboratory Branch, PSD
SUBJECT : Tentative Print-Straightener Specifications

1. In response to your request of 9 July 1965, for a print straightener, the attached Development Objective has been prepared.

2. It is requested that you review the proposed Development Objective and advise this office of suggested changes or concurrence with the objectives. Any changes will be coordinated with your staff until a mutually acceptable Development Objective is achieved.

3. On receipt of your concurrence the Development Objective will be submitted to industry for solicitation of proposals. We anticipate that appropriate members of your organization will assist us in the selection of the best proposal.

4. Future contacts with this Staff regarding this project may be made directly with [redacted] project monitor,
